

## Gifted Characters

There are eight heroes referenced in the prophecy in The Risen, the Chosen, and the Dark book series. They may be Nahgeyd, Christopher, Zack, Davar, Sapphire, Tsayel, Trinity, and Jennifer. They demonstrate many characteristics of heroism — bravery, self-sacrifice, and honor. God bestows on each of us gifts suited for exactly who He designed us to be. In this first book, The Dawn of It All, this group of children begins to learn that “the One” has a purpose for their lives. Think about these eight characters, what are the specific talents and gifts the One has given them that you already see?
